=====

file.txt

=====

Music is like a dream.
Without music, life would be a mistake
I can chase you, and I can catch you, but there is nothing I can do to make you mine
Music gives a soul to the universe,
wings to the mind,
flight to the imagination and life to everything.

=====

solution.cs

=====

```
using System;
using System.IO;

class Solution
{
    static void Main()
    {
        string S = "";

        try
        {
            FileStream F = new FileStream("file.txt", FileMode.Open, FileAccess.Read);
            S = S+"read";
            F.Close();
        }
        catch
        {
            S = S+"";
        }

        try
        {
            FileStream f = new FileStream("file.txt", FileMode.Append, FileAccess.Write);
            S = S+"write";
            f.Close();
        }
        catch
        {
            S=S+"";
        }

        FileInfo info = new FileInfo("file.txt");

        Console.WriteLine("File access: "+S);
        Console.WriteLine("File size: "+info.Length);
    }
}
```

Name

Default

Input

Output (Lines: 2)

File access: read
File size: 253

Expected Output (Lines: 2)

File access: read
File size: 253

Status

Pass
